

# Reporoa Primary School Uniform 2019

## Uniform Policy

- All students up to Year 5 in 2019 and all students up to Year 6 from 2020 onwards are expected to wear a Reporoa Primary School uniform.
- Students are expected to take pride in their uniform and wear it in a clean and tidy manner. It is to be worn at school, when travelling to and from school, and at school events when appropriate.
- Students wearing the Reporoa Primary School uniform or a Reporoa Primary School sports uniform are identifiable as belonging to the Reporoa Primary School community. It is therefore appropriate that students in either uniform adhere to the behavioural expectations of the school, even though they may not be on school grounds.
- The school logo is property of the Board of Trustees and cannot be screen printed or embroidered onto non-regulation clothing items purchased from an unauthorised supplier.
- The school policy on uniforms considers the Human Rights Act which forbids discrimination on the grounds of sex, religion or ethical belief, colour, race, ethnic or national origin, political belief, disability or age.
- Students who enrol during the year have 10 working days from the date of enrolment to purchase the uniform.
- The school will endeavour to assist students whose families have difficulty purchasing the correct uniform. This may be in the form of a letter to WINZ, passing on donated used uniforms or issuing footwear for the day.
- The uniform requirements will be published each year in the school Prospectus, in the school newsletter and on the school website.
- Students are free to combine items of the uniform to suit the weather conditions at the time, including footwear. There is no official summer and winter uniform.
