COVID-19 Level 2 Requirement Reminders

In light of the cases starting to occur in Taupo and Rotorua, we would like to remind you of our level 2 systems in place and be clear that we will be tightening this practice in regards to people onsite.

Visitors (including parents/caregivers) please avoid coming onsite.

- Drop off and pick up at the gate
- Use phone, email or SeeSaw to communicate with teachers
- Messages for students can be left at the office via phone

If it is necessary to come onsite...

- Wear a mask
- Scan In
- Sign In
- Sanitise
- Stay out of the classroom
- Be as quick as possible
- Do not interact with other students
- Social distance

Under recommendations, we will not hold large end of year events and activities, including those that bring parents and caregivers onsite.

- As a smaller event, the year 6 graduation may still go ahead with some adaptations, depending on the situation closer to the date. We will keep you informed.
- Athletics will now have no parent/caregiver/whanau spectators onsite.
- The triathlon has been cancelled.

- The final assembly will have no guests.

Anyone who is not feeling well should not come onto the school site and is encouraged to seek advice about getting tested.

- Keep sick children at home
- You will be asked to collect children from school who appear sick with cold or flu symptoms

Thank you for your cooperation and understanding as we follow these requirements to ensure the safety of your children at school.

Nga mihi

Richelle McDonald

Principal
