Pet Day 2022

Thursday, 29th September 2022

Pet day 2022

This year, we are trying something new! We will be having our pet day before the holidays, on a school day. It will be a school- wide event and include all our tamariki! Our aim is for all children to bring a pet!

Judging starts at 9:30 sharp. Please have your pet ready to go and remember to bring leashes, food and water, stakes and everything your pet needs to enjoy the day. Please make sure your pet has safe transport to and from school. If your pet is a cat or larger, please get your family to take the pet home straight after lunch.

Pet booklets on how to care for your lamb, kid or calf are provided by the Group Day organisers. Also detailed are the exact instructions for showing your pet. Pets are to be born between 20 July 2022 and 25 September 2022.

Our preschool section starts at 11:00am. Children (and parents) lead around the ring all together with their pet lamb, calf or kid. Pets can be borrowed or shared. Every child gets a ribbon. Pre-schoolers are welcome to join the Domestic Pets categories too!

Dress up theme for the Pet Parade 2022 is 'When I grow up, I want to be a.....'

Exciting things will be happening at school

Pet day is going to be a whole week! There will be flower and Lego creations, pet projects and lots more! Stay tuned!

Contact us at: rpspetday@gmail.com:

To let us know what pet your child is bringing:

- **Their name**
- **Their pet's name**
- **Category their pet fits under**

For any questions or feedback
